#### **ABOUT SUMMER CLUB**

Summer Club membership allows full access to the club for three months. As the sun begins to set earlier our outdoor pool hours will adjust since we do not have outdoor lighting. This usually occurs in the second or third week of August.

The indoor pool is open for limited hours each morning for lap swimming and closes at 1 pm weekdays and weekends when the outdoor pool is open.

Reservations are made through the Wayside App for courts, classes and lanes.

For your safety and others around you, please abide by the club and pool rules.
